

# City Lights

Lou Reed

Don't these city lights  
light these streets to life  
Don't these crazy nights  
bring us together  
Any rainy day  
you can dance those blues away  
Don't these city lights  
bring us together

Charlie Chaplin's cane  
well it flicked away the rain  
Things weren't quite the same  
after he came here  
But then when he left  
upon our own request  
Things weren't quite the same  
after he came here

Don't these city lights  
bring the streets to life  
Don't these crazy nights  
bring us together  
Any rainy day  
you can dance those blues away  
Don't these city lights  
bring us together

We're supposed to be  
a land of liberty  
And those city lights  
to blaze forever  
But that little tramp  
leaning on that street corner lamp  
When he left us  
his humor left forever

We're supposed to be  
a land of liberty  
And those city lights  
to blaze forever  
But that little tramp  
leaning on that street corner lamp  
When he left us  
his humor left us forever, ever

Don't these city lights  
bring the streets to life  
Don't these crazy nights  
bring us together  
Any rainy day  
you can dance those blues away  
Don't these city lights  
bring us together  
Together
