

I Remember You

Lou Reed

I remember you, I remember me
I remember, I remember how things used to be
I remember every word that you said
I remember, how could I forget?

Yes I remember, I remember you
(I remember, I remember)

I remember you
I remember your old address
And I remember, how could I forget?

I remember thinking how my luck changed
I remember being so amazed
I remember, I remember you (I remember, I remember)
I remember, I remember you (I remember, I remember)

I remember you, I remember me
I remember the way things used to be
I remember how it was that we met
I remember, I will never forget

I remember, I remember you
(I remember, I remember)
I remember, I remember you
(I remember, I remember)
