

## Legendary Hearts

Lou Reed

Legendary hearts  
tearing up apart  
with stories of their love  
their great transcendent loves  
While we stand here and fight  
and lose another night  
of legendary love

Legendary loves  
haunt me in my sleep  
promises to keep  
I never should have made  
I can't live up to this  
I'm good for just a kiss  
not legendary love

Romeo, oh, Romeo, wherefore art thou Romeo  
he's in a car or at a bar  
or churning his blood with an impure drug  
He's in the past and seemingly lost forever

He worked hard at being good  
but his basic soul was stained not pure  
and when he took his bow  
no audience was clapping

Legendary hearts  
tear us all apart  
make our emotions bleed  
crying out in need  
No legendary love  
is coming from above  
it's in this room right now

And you've got to fight  
to make what's right  
you've got to fight  
to make what's right  
You've got to fight  
to make what's right  
you've got to fight to keep your legendary love
