

# Ocean

Lou Reed

Here comes the ocean  
and the waves down by the sea  
Here comes the ocean  
and the waves where have they been

Don't swim tonight my love, the sea is mad my love  
it's known to drive men crazy  
Malcolm has burned at sea, the castle it sits and reeks  
the madness can make you hazy

But here come the waves  
down by the shore  
Washing the rocks that have been here  
centuries or more

Down by the sea

Here come the ocean  
and the waves down by the sea  
Here comes the ocean  
and the waves where have they been

Castles glowing at night, towers above out fright  
warlocks decapitating  
Malcolm he lives on hate, serve your brain on a plate  
feasts on your mouth for dinner

But here come the waves  
down by the sea  
Washing the eyes of the men  
who have died

Down by the sea

Here come the waves  
Here come the waves  
Here come the waves  
Here come the waves
