

# Rooftop Garden

Lou Reed

Sitting in our rooftop garden  
looking down below  
Sitting in our rooftop garden  
waiting for the sun

Isn't it lovely watching  
a plane go by  
What a lovely couple  
are you and I

Sitting in our rooftop garden  
a few drops of rain  
The lights in the city blinking on  
just the same

No sugar in my coffee  
how's your tea  
In our rooftop garden  
above the city

Let's not see any letters  
let's not answer the phone  
Let's just pretend that  
there's no one at home

In our rooftop garden  
in our rooftop garden  
In our rooftop garden  
up on the roof
