Lou Reed

We who have so much to you who have so little  
To you who don't have anything at all  
We who have so much more than any one man does need  
And you who don't have anything at all, ah

Does anybody need another million dollar movie?  
Does anybody need another million dollar star?  
Does anybody need to be told over and over  
Spitting in the wind comes back at you twice as hard?

Strawman, going straight to the devil  
Strawman, going straight to hell  
Strawman, going straight to the devil

Strawman  
Strawman  
Strawman  
Strawman, yes

Does anyone really need a billion dollar rocket?  
Does anyone need a \$60,000 car?  
Does anyone need another president?  
Or the sins of Swaggart parts 6, 7, 8 and 9? Ah

Does anyone need yet another politician  
Caught with his pants down and money sticking in his hole?  
Does anyone need another racist preacher?  
Spittin' in the wind can only do you harm, ooohhh

Strawman, going straight to the devil  
Strawman, going straight to hell  
Strawman, going straight to the devil

Strawman  
Strawman  
Strawman  
Strawman, yes

Does anyone need another faulty shuttle  
Blasting off to the moon, Venus or Mars?  
Does anybody need another self-righteous rock singer  
Whose nose he says has led him straight to God?

Does anyone need yet another blank skyscraper?  
If you're like me I'm sure a minor miracle will do  
A flaming sword or maybe a gold ark floating up the Hudson  
When you spit in the wind it comes right back at you

Strawman, going straight to the devil  
Strawman, going straight to hell  
Strawman, going straight to the devil

Strawman  
Strawman
