

Sunday Morning

Lou Reed

1. Sunday Morning, please be turning
it's just a wrestles feel, by my side.
Here you darling, sunday morning,
it's just to wait for you so close behind.

R: Watch out, the world's behind you,
there's always to wanna love you,
here we call, it's nothing at all.

2. Sunday morning, am I falling,
I've got a feel, I'm the one you know,
here my darling, sunday morning,
it's all the stream street cross, not alone we could.

R: Watch out...

Sunday morning, sunday morning, sunday morning, ...
