

# Wagon Wheel

Lou Reed

Won't you be my wagon wheel  
Won't you tell me, baby, how do you feel

Yeah, you got to live, yeah, your life  
as though you're number one  
Yeah, you got to live, yeah, your life  
and make a point of having some fun

But if you think  
that you get kicks from flirting with danger  
Danger, ooohhh  
just kick her in head and rearrange her

Oh, heavenly father, what can I do  
what she's done to me is making me crazy  
Oh, heavenly father, I know I have sinned  
but look where I've been, it's making me lazy

Won't you be my wagon wheel  
Won't you tell me, baby, how does you feel

You got to live, yeah, your life  
as though you're number one  
Yeah, you got to live, yeah, your life  
and make a point of having some fun

But if you think  
that you get kicks from flirting with danger  
Danger, ooohhh  
just kick her in head and rearrange her

And then why don't you wake me, shake me  
please don't you let me sleep too long  
Why don't you wake me, shake me  
please don't you let me sleep too long  
Don't wanna miss it now, wake me, shake me, baby  
please don't you let me sleep too long  
I wanna know why don't you wake me, shake me  
please don't you let me sleep too long  
Why don't you wake me, shake me  
please don't you let me sleep too long  
Why, why don't you wake me, shake me  
please don't you let me sleep too long  
Why don't you wake me, shake me  
please don't you let me sleep too long  
Why, why don't you wake me, shake me  
please don't you let me sleep too long
