Won't you be my wagon wheel Won't you tell me, baby, how do you feel

Yeah, you got to live, yeah, your life as though you're number one Yeah, you got to live, yeah, your life and make a point of having some fun

But if you think that you get kicks from flirting with danger Danger, ooohhh just kick her in head and rearrange her

Oh, heavenly father, what can I do what she's done to me is making me crazy Oh, heavenly father, I know I have sinned but look where I've been, it's making me lazy

Won't you be my wagon wheel Won't you tell me, baby, how does you feel

You got to live, yeah, your life as though you're number one Yeah, you got to live, yeah, your life and make a point of having some fun

But if you think that you get kicks from flirting with danger Danger, ooohhh just kick her in head and rearrange her

And then why don't you wake me, shake me please don't you let me sleep too long Why don't you wake me, shake me please don't you let me sleep too long Don't wanna miss it now, wake me, shake me, baby please don't you let me sleep too long I wanna know why don't you wake me, shake me please don't you let me sleep too long Why don't you wake me, shake me please don't you let me sleep too long Why, why don't you wake me, shake me please don't you let me sleep too long Why don't you wake me, shake me please don't you let me sleep too long Why, why don't you wake me, shake me please don't you let me sleep too long
