

## What Becomes a Legend Most

Lou Reed

What becomes a legend most  
when she's alone in a hotel lobby  
What becomes a legend most  
some bad champagne and some foreign bottled beer

What becomes a legend most  
when the musicians have come and then leave her  
What becomes a legend most  
besides being a legendary star

What becomes a legend most  
lying in bed cold and regal  
What becomes a legend most  
lying in bed watching a talk show on TV

What becomes a legend most  
fifty days in fifty cities  
And everyone says she looks pretty  
at least as pretty as a legend should

Fifty days can wear you down  
fifty cities flying by  
A different man in each different hotel  
and if you're not careful, word can get around

What becomes a legend most  
not a bed, that is half empty  
Not a heart, that is left empty  
that's not pretty, not pretty at all

What becomes a legend most  
when she's lying in her hotel room  
What becomes a legend most  
well baby, tonight it's you (tonight it's you)  
Baby, tonight it's you

(What becomes a legend most, sha-la-la-la-la) Baby, it's you  
(what becomes a legend most, sha-la-la-la-la) maybe tomorrow  
(What becomes a legend most, sha-la-la-la-la) Baby, it's you  
(what becomes a legend most, sha-la-la-la-la)  
(What becomes a legend most, sha-la-la-la-la)  
(what becomes a legend most, sha-la-la-la-la)  
(What becomes a legend most, sha-la-la-la-la)  
(what becomes a legend most, sha-la-la-la-la)
