

## White Light/White Heat

Lou Reed

White light goin' messin' up my mind  
don't you know, it's gonna make me go blind  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows

White light goin' down to my brain  
hey, don't you know it's gonna make me insane  
White heat, down to my toes  
Lord have mercy, white light had it, goodness knows  
forget it

White light  
Ooohhh, white light  
Ahhh, white heat  
Ooohhh, yeah, white light

White light goin' messin' up my mind  
don't you know, it's gonna make me go blind  
White light, goin' down to my toes  
Lord have mercy, white light had it, goodness knows

White light goin' messin' up my brain  
don't you know it's gonna make me insane  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows

forget it

Ooohhh, white light  
Yeah, aaah, white light  
White heat  
Oh, baby, white light  
white light, now, now, now

White light goin' messin' up my mind  
don't you know, it's gonna make me go blind  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows

White light goin' down to my brain, ooohhh  
Oh, don't you know it's gonna make me insane  
White heat, goin' down to my toes  
Lord have mercy, white light had it, goodness knows  
forget it

White light  
Ooohhh, white light  
Ooohhh, baby, white heat  
Yeah, white light
