

# Beloved One

Lou Rhodes

Since  
I  
Found  
You  
My whole world  
Seems to shine anew  
I  
Can't  
Find a way  
To tell you all  
I need to say

You are my precious one  
And since my life began  
I've been waiting for you, angel  
Something in your eyes  
That my heart recognised  
Always with me  
My beloved one

And you touch me so deeply  
I melt away  
And you hold me so completely  
I love my self

You are my precious one  
And since my life began  
I've been waiting for you, angel  
Something in your eyes  
That my heart recognised  
Always with me  
My beloved one

I thought my heart would overflow  
The day you came  
Sweet light I'd longed for filled my soul  
And sang your name

You are my precious one  
And since my life began  
I've been waiting for you, angel  
Something in your eyes  
That my heart recognised  
Always with me  
My beloved one
