

# Greatness In A Speck Of Dust

Lou Rhodes

Can I whisper in your ear  
A secret for every soul to hear  
So simple that we forget  
And hide away instead

Do you feel like you fell from grace  
And lost your ever eternal face  
The one before you were born  
The one that you'd die for

Greatness in a speck of dust  
Every moment true  
Heaven shines through all of us  
There's nothing that we have to do

Can I whisper in your ear  
A secret for every soul to hear  
So simple that we forget  
And hide away instead

Greatness in a speck of dust  
Every moment true  
Heaven shines through all of us

There's nothing that we have to do

Sometimes I feel afraid  
So wrapped-up in this life day to day  
Then some unexpected thing  
Can start my soul to sing

Oh foolish me  
Too blind to see  
Simple as sunshine  
Shine's so bright  
A heavenly light  
Simple as sunshine

Greatness in a speck of dust  
Every moment true  
Heaven shines through all of us  
There's nothing that we have to do

Oh foolish me  
Too blind to see  
Simple as sunshine

Infinity is so fine
