

# Why

Lou Rhodes

You told me I was beautiful  
And held me oh so tight  
So I duett on my ugliness and  
Hid away my light

Tell me why, oh why  
Can't we let the good things in  
I wanna know why, oh why  
Can't we let the good things in

You said that you'd loved me  
Before you saw my face  
So I waited and watched for  
Another girl to take my place

Tell me why, oh why  
Can't we let the good things in  
I wanna know why, oh why  
Can't we let the good things in

Tell me I wanna know why  
Tell me I wanna know why

So much of what I'd hoped for  
I couldn't let it be  
So I made me a world where  
You had to leave

Tell me why, oh why  
Can't we let the good things in  
I wanna know why, oh why  
Can't we let the good things in

I wanna know why  
Tell me I wanna know why  
Tell me I wanna know why  
Tell me I wanna know why

Can't we let the good things in

To sleep, my love, to sleep  
Your precious head on pillows, sweet  
And know that through the night  
My arms will wrap around you tight  
For I wonder at each breath you breathe  
And I cradle every dream you dream

To sleep, my love, to sleep  
Oh deep my love, so deep
