

Ace in the Hole

Loudness

Traveling through the world
With these gypsies
I sing to the crowds
Like a well oiled machine
I give to you
Ain't got a lot, but what I got
I save for you

It's an...

Ace in the hole
Ball in the glove
Arrow on the bullseye
I gotta whole lotta love

You go thru the day
Paving your own way
your sisters and your brothers
end up back this way
Ain't got a lot, but what I got
I give to you
Ain't got a lot, but what I got
I save for you

As long as you will listen
A story I will tell
As long as your willing
My life won't be like hell

It's an...

Ace in the hole
Ball in the glove
Arrow on the bullseye
I gotta whole lotta love
