

Bug Killer

Loudness

They sting like bees, they crawl on my bed
Eggs are hatching I feel, scratching my feet
Got to get away get away, get away from here
Got to get away get away, get away from here

Bug bites..... Stinging like bees
Bug bites..... Creeping up my skin

Kill them all!! kill them all!!

I am a bug killer, I am a bug patrol
come out and see me come eat me alive
come out and see me come eat me alive
hopeless disaster, save my life

bug bites..... stinging like bees
bug bites..... creeping up my skin

kill them all!! kill them all!! eat them all!!

they sting like bees
crawling on my bed
bug killer!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
