Danger of Love

You live the life Of a stranger You try to hide From yourself But now you're Living in danger Of loving Somebody else

In the broken Silence of your cries You make it easy to see You're a prisoner Lost in your disguise And that's why You'll always be...

Stranger in danger...lookout In danger of love Stranger in danger...lookout In danger of love

Nobody knows You're in trouble That's why you Came to this place And this masquerade Is just your way Of hiding tears On your face

Before you Let it go too far You've got to Tear down the wall And the mask I see Is telling me You ran away from it all...
