

# Snake Venom

Loudness

I was a monkey in a tree  
Swinging oh so carelessly  
Then I saw you smile  
And sink your fangs down my side  
Your poison seeps into my streams  
My whole body shivers in joy  
There is no way in hell  
That I'll ever be the same

Show, show me your poisoned fangs tonight  
Show, show me your snake venom tonight  
Oh, I'll love you anyway

I feel trapped when I'm with you  
You sure have a grip on me  
Can someone help me please?  
There is nothing I can do  
You bind my heart from dusk till dawn  
Addictive poison in my brain  
Oh what can I do  
But bow down and beg for more

Show, show me your poisoned fangs tonight  
Show, show me your snake venom tonight  
Oh, I'll love you anyway

Show me your sweet thing  
Show me your sweet love  
Show me your everything  
I love you anyway

Show me your sweet thing  
Show me your sweet love  
Show me your everything  
I love you anyway

Show me your sweet thing  
Show me your sweet love  
Show me your everything  
I love you anyway
