

## Coal Cart Blues

Louis Armstrong

I've got those Coal Cart Blues  
I'm really on confuse  
I'm bound to lose my very mind  
and worry, worry all the time.

these blues will make you cry  
feel just like you wanna scream  
of course the cart was hot and  
it almost kill me,  
but just a little go boy was my cup  
I've got those Coal Cart Blues  
there I really don't know what to do
