

# Dream a Little Dream of Me

Louis Armstrong

[Ella (Improvisation)]  
Stars shining bright above you  
Night breezes seem to whisper "I love you"  
Birds singing in the sycamore tree  
Dream a little dream of me

Say "Nighty-night" and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me

[Louis]  
Stars fading but I linger on dear  
[Ella]  
Oh how you linger on  
[Louis]  
Still craving your kiss  
[Ella]  
How you crave my kiss  
[Louis]  
Now I'm longin' to linger till dawn dear  
Just saying this  
[Ella]  
Give me a little kiss

Sweet dreams till sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams, whatever they be  
Dream a little dream of me

[Louis (Improvisation)]  
Stars fading but I linger on dear  
Still craving your kiss  
Yeah, I'm longing to linger till dawn dear  
Just saying this, yes

[Ella & Louis]  
Sweet dreams  
[Louis]  
Dreamin'  
[Ella]  
Till sunbeams find you  
Keep dreaming  
[Louis]  
Gotta keep dreamin'  
[Ella]  
Leave your worries far behind you  
[Ella & Louis]  
But in your dreams, whatever they be  
[Ella]  
You gotta make me a promise  
Promise to me you'll dream  
Dream a little dream of me
