

# I'll Never Be The Same

Louis Armstrong

I'll never be the same  
Stars have lost their meaning for me  
I'll never be the same  
Nothing's what it once used to be

And when the song birds that sing  
Tell me it's spring, I can't believe their song  
Once love was king  
But king can be wrong, yes

I'll never be the same  
There is such an ache in my heart  
Never be the same  
Since we're apart

'Cause there's such a lot a smile can hide  
I know down deep inside  
I'll never be the same  
Never be the same again

And when the song birds that sing  
Tell me it's spring, I can't believe their song  
Once love was king  
But kings can be wrong, oh yes

I'll never be the same  
There is such an ache in my heart  
Never be the same  
Since we're apart

Though there's such a lot a smile can hide  
I know down deep inside, yes  
I'll never be the same  
Never be the same again
