

My One And Only Love

Louis Armstrong

The very thought of you makes my heart sing
Like an April breeze on the wings of spring
And you appear in all your splendor
My one and only love

The shadow's fall and spreads their mystique charms
In the hush of night while you're in my arms
I feel your lips, so warm and tender, yes
My one and only love

The touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek whenever I speak
Tell me that you in are my own, baby

You fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender, baby
My one and only love

Baby, you fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender, baby
My one and only love, yes
My one and, my only love
