

## Stardust

Louis Armstrong

Sometimes, I wonder why I spend  
Such lonely nights  
Oh baby, lonely nights

Dreaming of a song  
The melody haunts my reverie  
And I am once again with you

When our love was new, oh baby  
And each kiss, an inspiration  
Now that baby, you know was long ago

Oh, beside a garden wall  
When stars are bright  
You are in my arms

The nightingale tells his fairy tale  
A paradise, where roses bloom  
Though I dream in vain

In my heart, it will remain, baby  
My stardust melody  
Oh memory, oh memory, oh memory
