

Under A Blanket Of Blue

Louis Armstrong

Under a blanket of blue,

Just you and I beneath the stars.

Wrapped in the arms of sweet romance, the night is ours.

Bmi7 Dalt E7/5+ E7

Under a blanket of blue,

Let me be thrilled by all your charms,

Darling, I know my heart will dance with - in your arms;

A summer nights magic, enthralling me so.

A summer nights magic enthralling me so.

The night would be tragic,

If you weren't here to share it, my dear

Covered with heaven above,

Let's dream a dream of love for two,

Wrapped in the arms of sweet romance, under a blanket of blue.
