

# We Have All The Time In The World

Louis Armstrong

We have all the time in the world  
Time enough for life to unfould  
all the precious things love has in store  
We have all the love in the world  
If that's all we love you will find we need nothing more

Every step of the way will find us  
With the cares of the world far behind us  
We have all the time in the world  
Just for love nothing more nothing less only love

Every step of the way will find us  
With the cares of the world far behind us  
We have all the time in the world  
Just for love nothing more nothing less only love
