

Buzz Me

Louis Jordan

When I saw you this morning, baby
Tell me why did you walk away
When I saw you this morning, baby
Tell me why did you walk away
Can't believe that you don't want me
I thought our love was here to stay

Buzz me, buzz me, buzz me baby
I'll be waiting for your call
Buzz me, buzz me, buzz me baby
I'll be waiting for your call
If you forgot the number
Come on over
You won't have to call at all

I never lied to no one
I ain't gonna lie to you
When I say I'm yours forever
Every word I say is true
Buzz me, baby
I'll be waiting for your call
If you forgot the number
Come on over
You won't have to call at all

Buzz me, buzz me, buzz me baby
You mean so awfully much to me
Buzz me, buzz me, buzz me, baby
I'm like a ship that's lost at sea
But when I get my arms around you
I ain't gonna let go till 1953
