

I Want You To Be My Baby

Louis Jordan

~~~~♪♪♪ ~~~

I (I)  
I want (I want)  
I want you (I want you)  
I want you to (I want you to)  
I want you to be (What?)  
I want you to be my baby

Will (Will)  
Will you (Will you)  
Will you please (Will you please)  
Will you please tell (Will you please tell)  
Will you please tell me (What?)  
If you're gonna be my baby

Listen to your Daddy and you never will regret it  
And if anybody wonders you can tell 'em that I said it  
The only thing I know is that I never can forget you  
I been longin' for you baby ever since the day I met you  
I gotcha where I want you and I'm never gonna let you get away from me

Hear what I tell you  
I'm the man for you and so you'd better start to face it  
If you ever lose my love you know you never can replace it  
I think it's time for you to start to givin' me some lovin'  
Cause I'm carryin' a torch for you that's hotter than an oven  
It's time for you to give me a little bit of lovin'  
Baby, hold me tight and do what I tell you
