Always You

Louis Tomlinson

I went to Amsterdam without you
And all I could do was think about you
And, oh, I should've known
I went to Tokyo to let it go
Drink after drink but I still felt alone
I should've known

I went to so many places
Looking for you in the faces
I could feel it
Oh, I could feel it

I'm wasting my time when it was always you, always you
Chasing the high but it was always you, always you

Should've never let you go, oh-oh
Should've never let you go, my baby
Go, oh-oh, oh-oh-oh

I went from LAX to Heathrow
Walk through my door but it felt nothing like home
'Cause you're not home
Waiting to wrap your legs around me
And I know you hate to smoke without me and, oh
Now you know

I'm wasting my time when it was always you, always you
Chasing the high but it was always you, always you

Should've never let you go, oh-oh
Should've never let you go, my baby
Go, oh-oh, oh-oh-oh

Should've never let you go, oh-oh
Should've never let you go, my baby
Go, oh-oh, oh-oh-oh

I went to so many places
Looking for you in the faces
I could feel it
Oh, I could feel it

Wasting my time when it was always you, always you
I was chasing the high but it was always you, always you

Should've never let you go, oh-oh
Should've never let you go, my baby
Go, oh-oh, oh-oh-oh

Should've never let you go, oh-oh
Should've never let you go, my baby
Go, oh-oh, oh-oh-oh

My baby
Oh, my baby
