

# Kill My Mind

Louis Tomlinson

You're a nightmare on the dance floor  
And you hate me, and I want more  
You're a total distraction  
While I'm waiting for your reaction, whah?

The devil in my brain, whispering my name  
I can hear it sayin', "I, I can ease the pain  
Just a little taste babe  
And you won't let go of your hold on me

You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now  
You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now

Kept me living from the last time  
From a prison of a past life  
On a mission just to feel like  
When you kissed me for the last time, whah

The devil in my brain, whispering my name  
I can hear it sayin', "I, I can ease the pain  
Just a little taste babe  
And you won't let go of your hold on me

You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now  
You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now  
You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now

Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my  
Kill my

You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now  
You kill my mind  
Raise my body back to life  
And I don't know what I'd do without you now  
You kill my mind

Raise my body back to life  
And I don't know what I'd do without you now
