

Ball Of Twine

Louis XIV

I'll take a ball of twine
and i'll twirl ya
like a yo-yo on the ground
ya come up before you go down

to a ball of twine your like a yo-yo runnin on the ground
ya come up before you fall down

well God saved the Kinks and the music from the big pinks
cause sonny boy well he's better than ya think
and there are things that i hear on the radio
where they're singing all the same music fablio
i'd rather listen to the jets from the kitchen sink
so God saved the music and God saved the pinks
