Hopesick

I need sleep I need love I need fun I need girls I need sun I need hope I need help I need dope I need her I need it I can't run I can't sit I got pain, I got pain, I got pain Hope sick Hope sick Hope sick Hope sick A heart flutter And I shutter A hand shake A heart break I love her She loves me But in my mind But only in my mind Hope sick (If it was so hard to hope) Hope sick (How come I can't let you go?) Hope sick Hope sick I need wheels I need touch On my toes On my heels On my lips On my head On the street I need stuff I need a heart I need a break My skin aches What does it take I need me, I need me It's like I'm hanging from a rope From a string From a needle From a thread In my head (Hope hope hope hope)

Louis XIV

Hope sick (If it was so hard to hope) (How come I can't let you go?) Hope sick (Hope sick) (If it was so hard to hope) (How come I can't let you go?) (If it was so hard to hope) (How come I can't let you go?) A heart flutter I shudder A hand shake A heart break Hope sick Hope sick Hope sick Hope sick It's like I'm hanging (Hope sick, hope sick) From a rope (Hope sick, hope sick) From a string (Hope sick, hope sick, hope sick)
