

# It's The Girl That Makes Him Happy

Louis XIV

My sweet queen of hearts

A change of heart  
My sweet queen of hearts  
Like fragile trees  
In your  
Planted in boxes  
For the world to see  
Well it's the girl  
That makes him happy

Oh it's the girl  
That makes him happy

Well it's the girl  
That makes him happy

It's the girl  
That makes him happy
