Strangers On A Train

Pardon me sir, is this seat taken? I overheard you say, ?Not stirred but shaken? And I could really throw one back

Such a thirst doesn't always permit Forward tact, so, if you would sir Pardon me, a stiff one is my specialty

Strangers on a train Strangers on a train

Oh, you're very charming sir Now here's to you I don't want to know your name Or what you do

I know, here's to strangers on a train Strangers on a train

Oh, I think we're going faster From the mount to the pasture Just look at that scenery It's lovely, it's lovely

I really like to ride the train Especially when I forget where I'm goin' I really like the way it feels Motion of the wheels

As the raging sparks are flyin' From the wounded rails still cryin' Battling the scenery, it's lovely, it's lovely It's lovely, it's lovely

I really like to ride the train Especially when I forget where I'm goin' I really like the way it feels Motion of the wheels

Mountain, meadow, oh, I, I'd better go This is my station, you know I've had a lovely time Oh, the pleasure's mine, all mine
