

California

LOVE PSYCHEDELICO

Behind the golden clock
I stepped inside through the door
Beside the lemon tree
I grow up with so many things
Oh, California
Dreaming about yesterday
It has gone
Over the sea
Oh, California
Waiting for you to come, sweet home
Still the same
The hands were making
Sweets and clothes in silence
The hands' work
How I long for their old things
Oh, California
Dreaming about yesterday
It has gone
Over the years
Oh, California
Waiting for you to come, sweet home
Sou kimi wa mou sude ni yume no naka de boku wo daiteru star
Ima subete nozomi kanau nara mazu kimi ga boku wo utsu I call
Oh, California
Dreaming about yesterday
It has gone
Over the sea
Oh, California
Waiting for you to come, sweet home
Still the same
