

It Hurts When I Laugh

Love Spit Love

Don't wanna see the sun before tomorrow
Annie's gotta sleep that's all I see
Anyone can stay but then who cares? Who's got any time?
And I've got a cough and God bless you

It hurts when I laugh
And it hurts when I speak
And it hurts when I talk
And it hurts when I breathe, yeah

I haven't got a thing but what I'm wearing
Annie's got a dress, it's scarlet red
She's gonna set the candles 'round her bed
She's gonna light them all
Everything is silent when I'm gone

It hurts when I laugh
And it hurts when I speak
And it hurts when I talk
And it hurts when I breathe, yeah

Annie's gonna dream about tomorrow
Annie's got a secret she can't keep
It's getting kinda late, it's dark outside
Don't want to say goodbye
Don't want to say goodbye so no one cares

It hurts when I laugh
And it hurts when I speak
And it hurts when I talk
And it hurts when I breathe

And it hurts when I laugh
And it hurts when I speak
And it hurts when I talk
And it hurts when I breathe, yeah

Mary says hi, hello
Annie says hi, hello, hello
Ronnie says hi, hello
Donna says hi, hello

Jackie says hi, hello
Johnny says hi
Hello, hello, hello, hello, hello
Hello, hello, hello, hello, hello
