Andmoreagain

And if you'll see Andmoreagain Then you will know Andmoreagain For you can see you in her eyes Then you feel your heart beating Thrum-pum-pum

And when you've given all you had And everything still turns out Bad, and all your secrets are your own Then you feel your heart beating Thrum-pum-pum

And I'm Wrapped in my armor But my things are material And I'm Lost in confusions 'Cause my things are material

And you don't know how much I love you Oh, oh, oh...

And if you'll see Andmoreagain Then you might be Andmoreagain For you just wish and you appear Then you feel your heart beating Thrum-pum-pum
