And if you'll see Andmoreagain Then you will know Andmoreagain For you can see you in her eyes Then you feel your heart beating Thrum-pum-pum

And when you've given all you had And everything still turns out Bad, and all your secrets are your own Then you feel your heart beating Thrum-pum-pum

And I'm
Wrapped in my armor
But my things are material
And I'm
Lost in confusions
'Cause my things are material

And you don't know how much I love you Oh, oh, oh...

And if you'll see Andmoreagain
Then you might be Andmoreagain
For you just wish and you appear
Then you feel your heart beating
Thrum-pum-pum-pum
