

## Can't Explain

Love

Can't explain  
Nothin' seems to be goin' right  
Can't explain  
Nothin' seems to be goin' right

Well now you wake up in the mornin'  
Find your poor self dead  
Well now you wake up in the mornin'  
Find your poor self dead

What a shame  
You always want to start a fight  
Can't explain  
You always want to start a fight

Well now you wake up in the mornin'  
Find your poor self dead  
Well now you wake up in the mornin'  
Find your poor self dead

Let it go, what I say, yeah  
Can't explain  
You always want to start a fight  
Can't explain  
You always want to start a fight

Well now you wake up in the mornin'  
Find your poor self dead  
Well now you wake up in the mornin'  
Find your poor self dead

Let it go, one more time, yeah
