

Singing Cowboy

Love

This is more or less the lyric to Singing Cowboy from the Live/Studio album which differs slightly from the versions on Four Seasons and Reel To Real.

Singing Cowboy, Gotta Lasso In You Your Hand

Will You Ever Understand

It's A, It's A Do Or Die Boy

You Know Your Life is up to You

So When You Say Goodbye Don't You Cry

Cos Look out Kid I'm Coming After You

Singing Cowboy

Got A Gun Around Your Waist

Wanna Shoot a little taste

at me and my boy

Just What's Gotten Into You

You Gonna Shoot Me Through

I'm Gonna Follow You

Well Look Out Kid I'm Coming After You

You

Coming After You

And I'm On My Way

Look Out

Singing Cowboy, Gotta Lasso In You Your Hand

Will You Ever Understand

It's A, It's A Do Or Die Boy

I Say Your Life is up to You

So when you say goodbye Don't you cry

Look out Kid We're coming after you

Singing Cowboy

Look out Kid We're coming after you

Singing Cowboy

Look out Kid We're coming after you

Singing Cowboy

You

Coming After You

I'm On My Way

Coming Through To You

I Gotta Keep On Rollin' On
