

Slumber

Lovebugs

I slumber all day long for that
It will not make me sick again
I slumber every single hour
It's the same old trick again

I slumber cause I don't wanna feel
And there's nowhere to escape
I slumber since you went away
And so it's all the same to me

Could be so much fun
And so much happiness
But I'm dead I'm dead I'm dead for you
Could be so much fun
And so much happiness
But you're dead you're dead you're dead for me

My fingertips won't feel
They just wanna stay asleep
And my legs won't make a move
As long as you won't care

And your answering machine
It stays dump as long as mine
Just wanna stay alone
Won't see your face in everyone

Fake myself
Fake yourself
