

Stupid & Forgettable

Lovebugs

Uh uh uh

Go to hell go to hell
Oh i love you
You're the worst thing
That ever happened to me

Go to hell go to hell
I won't miss you
Actually there's nothing
I need that ever comes from you

Tracy
What do i
Turn you on
Why don't you see
Tracy do you a little bit like me?

Tracy what do i
Make you understand

Go to hell go to hell
Oh i love you
You're the worst thing
That ever happened to me

Go to go to hell
I won't miss you
You only mess up my life
But i'm still running after you
