

Take Me As I Am

Lovebugs

Take me as I am
Take me even if the time is wrong
Take me as I am
Take me even if the place is wrong
So what if I fly
So what if I fly
So what if I fly
Take me as I am
Take me even if the love is gone
Take me as I am
Take me even if it's just for fun
Take me as I am
Take me even if I can not come
Take me as I am
Take me even if the love is gone
So what if I fly
So what if I fly
So what if I fly
