

# Take Me As I Am

Lovebugs

Take me as I am  
Take me even if the time is wrong  
Take me as I am  
Take me even if the place is wrong  
So what if I fly  
So what if I fly  
So what if I fly  
Take me as I am  
Take me even if the love is gone  
Take me as I am  
Take me even if it's just for fun  
Take me as I am  
Take me even if I can not come  
Take me as I am  
Take me even if the love is gone  
So what if I fly  
So what if I fly  
So what if I fly
