

## Under My Skin

Lovebugs

Saturday night I was looking for trouble  
Could find no one who would put up a fight  
Went to a club and saw you dirty dancing  
Despite myself I fell in love at first sight  
come on come on  
Come on get under my skin  
Come on come on inject my desire  
Come on come on  
Come on get under my skin  
Come on come on my inside's on fire  
For you  
I'm begging you baby please  
You see I'm down on my knees  
Don't be cruel stop your big tease  
Big tease big tease  
Yeah  
Sunday morning and I feel like a football  
Kicked around and bent right out of shape  
I won't give up no I won't give in easy  
I've got to get you - yeah  
Make no mistake  
No more
