Bleed Together

Lovedrug

If you wanna come in
You'll have to stretch my skin
If you wanna survive with those beautiful eyes
You'll have give in
'Cause you said run, I wanna have some fun
That my [Incomprehensible] has a cute little sight
And I'll s-s-should turn you
You know, I know, you know that I need you
I know, you know, I know that I want you
You know, I know, you know that I need you now, oh now
You got it wrong, this isn't right
There's something beautiful that hasn't yet died
You're clinging on to my misery
Your popularity smells
So fine, who wants an enemy?
Stand up and raise your hand
Hates not the answer
When loves on demand
You know, I know, you know that I need you
I know, you know, I know that I want you
You know, I know, you know that I need you now, oh now
You got it wrong, this isn't right
Theres something beautiful that totally died
This stupid song my popularity
I see my misery and it looks fine and it looks fine
I was wrong
Now, it seems fine to be alone
The sun, out shined
And the girl is a woman and the woman is stoned
Tonight I'll sign my blood on the leather
And bleed together to find our own separate ways
To die like we never were born
