

## Casino Clouds

Lovedrug

You left Tuesday and by Wednesday you were so alone  
Is this your nightmare man?  
The millions of punch drunks and the cannibal king is taking control  
Now you're burning in space, you try to remember her face  
And the crown of your heart  
Now you're fighting for the manacle girls and boys  
Like a kettle of keys  
One of which might unlock all of these  
If these are the black gates of hell, oh  
Then I'm sorry for the life I've wasted so  
And I forgot to fall in love, I forgot to call on the keystone clan  
I never got to be a man at all  
Your crocodile tears  
Your manikin angel cage of fire is killing him so  
Now, you're searching for life up in these cold casino clouds  
With your panicking eyes I am not alone  
Now, these are the angry jaws of death, oh  
Now, this is the calm while Father Grim is smiling so  
I never got to fully say, I never got to really explain myself  
And I forgot got to sing  
I got us here, I saw the sign  
Now breathe in the air and you'll be fine  
Now, I'll never fall in love  
Now, I'll never really explain myself  
But honey I will sing
