Let It All Out

Lovedrug

```
Got sick of the marching band and lost my head
I am the straw that broke the camel's back
Sometimes
You gotta let it all out
You gotta let it all out
You gotta let it all out
Sometimes you know, you gotta let it all out
Sometimes you know, you gotta let it all out
Sometimes you know, you gotta let it all out
Sometimes you know, you gotta let it all out
I see you talking but I don't hear words
I'm just a gerbil in the wheel, caught
You put the hole that's in your pretty face
I'm feeling scared that I might blow
Sometimes
You gotta let it all out
You gotta let it all out
You gotta let it all out
Sometimes you know, you gotta let it all out
Sometimes you know, you gotta let it all out
Sometimes you know, you gotta let it all out
Sometimes you know, you gotta let it all out
```
