

Only One

Lovedrug

The sun revolves around you
I don't know what you think you're on
But if it would please you
I could say that you are the cat's meow
You're the only one who cares about you
You're the only one
A stolen cape around you
I don't know who you think you'll save, dear
But if it would please you
I could say that I am drowning here
You're the only one who cares about you
You're the only one
You're the only one who cares about you
You're the only one
When all of these words are stuck in your head
You won't be the only one
When all of these words are stuck in your head
You won't be the only
You're the only one, yeah
You're the only one
You're the only one who cares about you
You're the only one
You're the only one who cares about you
You're the only one
