

## Panicked Witness

Lovedrug

There's a place where  
All the eyes roll back  
And the thistle grows  
Where the rain stops  
When you want it to  
And the whales don't die  
It's a place where  
All the walls will sleep  
And the crow saves lives  
There are no graveyards  
And all the water's warm  
And the cripples fly  
Choose your words carefully  
They might be your last  
Choose your words carefully  
They might be your last  
Then a boy came  
With the blackest thumb  
And he just cried wolf  
A panicked witness  
With his eyes so wide  
Might just recognize  
Choose your words carefully  
They might be your last  
Choose your words carefully  
They might be your last  
Let me out  
Push me down the blackest river  
And I won't complain at all  
Let me out  
Push me down the blackest river  
And I won't complain at all  
Let me out  
Push me down the blackest river  
And I won't complain at all  
Let me out  
Push me down the blackest river  
And I won't complain at all
