

## She's Disaster

Lovedrug

I wake up the same story  
I hear you at the door  
I see my medication  
Will cut you on the floor  
A fever you're shaking  
And boozing on the shores  
A nightmare like a devil  
But still I love you more  
She's disaster, she's disaster  
She's a caution a warning sign  
She's disaster  
I'm begging four thirty  
Please put your clothes back on  
There's doctors in the dining room  
Who came to fix what's wrong  
Your cracking, I'm sorry  
There's nothing can be done  
Your dancing round on life support  
With matches and a gun  
She's disaster, she's disaster  
She's a caution a warning sign  
She's disaster  
No more speaking you need cooling  
Let me hold you now  
You're a nuclear, Followed beauty  
No one can hold you down  
She's disaster, she's disaster  
She's a caution a warning sign  
She's disaster  
She's disaster, she's disaster  
She's a caution a warning sign  
She's disaster
